

ReadingPals

INSPIRE
A LOVE OF
READING

ReadingPals seeks to match trained and committed volunteers with kindergarten children to foster a love of reading

Volunteers commit to 1 hour a week for 25 weeks to tutor individual students in a local school setting to improve a child's literacy and oral language skills.

ReadingPals is an early literacy initiative which focuses on increasing the number of children who are reading at grade level by the end of third grade.

ReadingPals also provides at least four books per child to take home for a home library. Volunteers tutor 1:1 with provided reading curriculum materials.
